Anthony Joshua - The Journey (Part One)

TV HOURS
ONE HOUR

This superbly crafted documentary introduces the heavyweight sensation Anthony Joshua as he plots his unstoppable rise to the World Heavyweight title.

The narrative focuses on the start of his journey in the professional arena and looks back at his origins in the sport of boxing. It examines his rise through the amateur ranks culminating in glorious success at the 2012 Olympics in London, where he secured gold in the Super Heavyweight division. The film follows Anthony behind the scenes as he prepares for his sixth professional fight and hangs out with him backstage at Wembley as he takes on his toughest opponent yet. Revealingly insightful, Anthony Joshua – The Journey charts a young man's meteoric rise from novice boxer to global superstar.

Premier League Poker 6

The ground-breaking Premier League Poker is back with its sixth edition as 16 of the best players in the world compete in a unique league format.

With a \$125,000 buy in, there is a whopping \$2,000,000 prize fund, with \$450,000 going to the winner. The 16 players are split into two groups of eight and each player plays four times. There is a 'points awarded' system based on finishing positions and at the end of the league matches, the top three in each group automatically progress through to the final. The next four will battle it out in heads-up matches for the remaining two final table spots. With the best in the game taking on the best, it's one of the most prestigious titles in televised poker.
